

# **Phonics and Reading at St Mary's Catholic Primary School**

**(last updated May 2018)**

In Reception Class (EYFS) and in Year One and Year Two (Key Stage One) we use the 'Read, Write, Inc' phonics programme.

The main published Reading schemes used in EYFS and Key Stage One are:

- Oxford Reading Tree and Project X
- Discovery World
- Collins Big Cat
- Story World

From Year Three to Year Six (Key Stage Two) we use Rigby Star, Collins Big Cat and Rigby Navigator schemes for guided reading.

The main published Reading schemes used for home reading in Key Stage Two are:

- Oxford Reading Tree and Project X
- Discovery World
- Collins Big Cat
- Story World
- A range of 'real' reading books (junior novels) for our most able KS2 pupils who have completed the reading scheme or who require additional challenge at a higher reading age.

All our scheme reading books have been banded into an age-appropriate colour-coded scheme designed to ensure continuity and incremental progression.
