

Key Stage One Home Learning Activities: Year 2

Good morning Year 2,

I hope you have all been outside in the garden enjoying the beautiful sunshine. I hope you have all managed to complete some of your home learning tasks, I am really proud of how hard you are all working! I have uploaded more activities for you to complete. I have set up a new tournament on TTRS between our class and an assignment on Spelling Shed of all the Year 2 Common Exception Words. Try and login to Oxford Owl and read some of the eBooks and practise some of the Year 2 spellings rules. I have attached some information on how to login to Oxford Owl on the Year 2 Class Page. The Year 2 classroom is very quiet without you all, I am still watering our sunflower plants and they are growing really quickly.

Have a good week everyone!

Miss McLean

Reading	Writing	Maths
<ul style="list-style-type: none"> • Read every day for up to 20 minutes. • Talk about the story before, during and afterwards – discuss the plot, the characters, their feelings and actions, how it makes you feel, predict what will happen and encourage your child to have their own opinions. • Listen to online audio books. https://classroommagazines.scholastic.com/support/learnathome.html • 60 Second Reading Activities on the Year 2 Class Page • Every day at 11am, you can listen to one of Davis Walliams' story. https://www.worldofdavidwalliams.com/ 	<p>Daily practice www.spellingshed.com complete the assignments you are being set on there.</p> <ul style="list-style-type: none"> • Short writing tasks inspired by daily photos www.pobble365.com • www.oxfordowl.co.uk Username: y2stmarys Password: year2 • CGP Grammar book • Create your own character for a story. Draw this character in your book and use adjectives to describe what they look like. • Write a story about visiting another world. Include what it looks like, what happened when you were there, who did you meet there? • Write a set of instructions on how to make a sandwich and then have a go at making one. Don't forget to use imperative verbs and adverbs. 	<p>Daily practice</p> <ul style="list-style-type: none"> • www.trockstars.com • https://www.topmarks.co.uk • https://play.numbots.com • https://www.timestables.co.uk/ • CGP Maths book • Complete the Maths Activity Mats on the Year2 Class Page • Use a ruler or tape measure to measure things in your house. Measure at least 10 things and write the length in centimetres. Order your chosen items from shortest to longest. Record in your book. • Construct a tally chart of your family's favourite animals. Challenge yourself by drawing a bar graph of the results with your grown up.
<ul style="list-style-type: none"> • Geography 	<ul style="list-style-type: none"> • RE 	<ul style="list-style-type: none"> • Art
<ul style="list-style-type: none"> • Research the name of the 7 continents and the 5 oceans and write these down in your book. • Look at the continent Europe and make a list of 10 countries in Europe. 	<ul style="list-style-type: none"> • Create an Easter card. • Create an acrostic poem using the word 'Easter'. • Cafod offer weekly resources https://cafod.org.uk/Education/Primary-teaching-resources/Home-learning-primary 	<ul style="list-style-type: none"> • Collect some nature things from outside and draw these in your book. Try and include as much detail as possible. • Design your own Easter egg. You can do this on paper or you can paint a real egg. • Follow these steps: Plan, make and evaluate.
<ul style="list-style-type: none"> • Science 	<ul style="list-style-type: none"> • PE 	<ul style="list-style-type: none"> • Computing
<ul style="list-style-type: none"> • Find a variety of objects and materials in your home. In your books, write whether they bend, twist, stretch or squash. • Science investigations at home – Some examples on the Year 2 Class Page 	<ul style="list-style-type: none"> • Go Noodle movement videos on Youtube https://www.gonoodle.com/ • Joe Wicks Fitness (9 O'clock every morning) • Create a simple dance to a song of your choice 	<ul style="list-style-type: none"> • https://www.j2e.com/j2code/ Great coding activities.
