

# Laura the Naughty Lamb

8 Laura was a very naughty lamb. Whenever the  
18 older sheep told her to stay still, she would run  
28 off, laughing. If she was told to be quiet, she  
35 would bleat loudly over and over again.

45 One day, the other sheep in the field were fed  
54 up of Laura. "She always does the opposite of  
64 what we tell her to do!" the sheep complained to  
72 Farmer Fiona. With that, Farmer Fiona came up  
76 with a cunning plan.

86 The next day, an older sheep went up to Laura  
96 and said, "We need you to make lots of noise  
104 today." Of course, Laura did just the opposite!

## Quick Questions

1. How does Farmer Fiona trick Laura into being quiet?

---

---

2. What does Laura do when she's told to stay still?

---

---

3. Which word is the sound a sheep makes?

---

4. What do you predict Laura will do tomorrow?

---

---

# Answers

1. How does Farmer Fiona trick Laura into being quiet?  
**She tells the sheep to ask Laura to makes lots of noise because she knew she would do the opposite.**

2. What does Laura do when she's told to stay still?  
**Run off.**

3. Which word is the sound a sheep makes?  
**bleat**

4. What do you predict Laura will do tomorrow?  
**Accept sensible answers, such as: I think Laura will be quiet because she's learnt her lesson; I think Laura will still be naughty and noisy.**
