

Key Stage One Home Learning Activities: Year 2

Good morning everyone,

I hope you had a lovely weekend, I am so proud of how you are all adapting to working at home and I have been really enjoying looking at all the amazing work you are sending into me!

I have added another week of activities onto the school website for you to complete and keep an eye out on Classdojo for some more challenge – we all enjoyed participating in them last week!

I just thought I'd let you know about the BBC Bitesize Daily Lessons. Each day BBC Bitesize release a new Maths, English and one foundation subject lesson (history, art, geography, science, music) for children to work through. Lessons usually include videos, games or a presentation to read through with an independent task to complete at the end. Oak National Academy has a variety of learning videos and activities for children to complete. Children could complete the activity or task in the blank exercise books school provided.

Have a good week and keep working hard.

Miss McLean

Reading	Writing	Maths
<ul style="list-style-type: none"> • Read every day for up to 20 minutes. • Talk about the story before, during and afterwards – discuss the plot, the characters, their feelings and actions, how it makes you feel, predict what will happen and encourage your child to have their own opinions. • Read Ebooks on Oxford Owl – Login details on Year 2 Class Page. • 60 Second Reading Activities on the Year 2 Class Page. • Complete reading task on the Class Page. 	<p>Daily practice www.spellingshed.com complete the assignments you are being set on there.</p> <ul style="list-style-type: none"> • Short writing tasks inspired by daily photos www.pobble365.com • SPAG mats/ Grammar activities on the class page. • Write a menu and play restaurants for a mealtime. • Write a poem that has rhyming words in about your favourite things. 	<p>Daily practice</p> <ul style="list-style-type: none"> • www.trockstars.com • https://www.topmarks.co.uk • https://play.numbots.com • https://www.timestables.co.uk/ • CGP Maths book • Complete the Maths Activity Mats on the Year2 Class Page • Practise adding and subtracting two 2-digit numbers. • Make a game with your family involving adding or subtracting numbers.
Geography	RE	Art Project
<ul style="list-style-type: none"> • Learn about the four countries of the UK and their capital cities. Go to: https://www.bbc.co.uk/bitesize/articles/z42pnr4 Write a fact file about what you have learnt. 	<ul style="list-style-type: none"> • Listen to some quiet music and write a list of all the things you are thankful for. Share your list with someone at home. 	<ul style="list-style-type: none"> • Portraits – Collect images and photographs of family members, famous people or themselves as inspiration. Artists – Pablo Picasso, Frida Kahlo and Andy Warhol.
Science	PE	Computing
<ul style="list-style-type: none"> • Look at the different plants and trees in your local area. Try and identify the different parts of a plant and a tree and their function. Look on Year 2 Class Page for a task and PowerPoint. • Watch some Science videos on BBC Bitesize. 	<ul style="list-style-type: none"> • Go Noodle movement videos on Youtube https://www.gonoodle.com/ • Joe Wicks Fitness (9 O'clock every morning) 	<ul style="list-style-type: none"> • https://www.j2e.com/j2code/ Great coding activities. • https://code.org/learn Great coding activities.
