

Can you make a castle?

What You Need:

Cardboard rolls

Glue

Glitter

Scissors

Paper

Paint

Toothpick

How You Make It:

Paint toilet paper tubes or cut-up paper towel rolls.

Make 8 small cuts at one end of two of the rolls and fold four tabs inward to form turret.

Decorate however you would like and glue edges together to form castle.

Cut construction paper into rectangle, fold over toothpick, glue and then trim to triangle flag shape.

Glue or tape to inside of castle.
