

Key Stage One Home Learning Activities: Year 2

Good morning everyone,

I hope you all had a wonderful weekend. I have really enjoyed seeing all the work and exciting things you have been doing at home. I know it can seem a bit strange working at home without your teacher and friends, but you are all working really hard and I am very proud of you all.

Keep sending in your wonderful work this week, I can't wait to see what you get up to this week.

Miss McLean
