

Key Stage Two Home Learning Activities: Year 6 (w/c 22nd June)

Reading	Writing	Maths
<ul style="list-style-type: none"> - Log into Read Theory and complete some of the extracts on there. - In school, we will be reading 'Can you see me?' by Libby Scott and Rebecca Westcott. If you have an Amazon account, there is an audiobook version which is free with an Audible trial. - Complete the Jane Eyre reading comprehension. 	<ul style="list-style-type: none"> - www.spellingshed.com daily practice - CGP Grammar Book - Read the biography example written about Tom Daley. Research <i>your</i> favourite sports star and write a biography of their life so far. Tell me why you have chosen the person you selected. - Create a non-chronological report about a sport which not many people know about eg octopush or kaninhopping 	<ul style="list-style-type: none"> - www.trockstars.com daily practice. Try to play every day; aim for a score of at least 250 a day - CGP Maths book - BBC Bitesize provide daily lessons in a range of subjects. https://www.bbc.co.uk/bitesize/tags/zncssw/year-6-and-p7-lessons/ Take a look at the daily Maths lessons. - Complete lessons on Numerise https://www.numerise.com/secondary-ready/ - Complete the Mystery of the Missing Umpire and tell me who you think the guilty culprit is on Class Dojo (This week is a tricky one!)
History/Geography	RE	Art/Music Technology
<ul style="list-style-type: none"> - Find 3 ways that people use to communicate before the telephone and Internet were invented. Create a fact file for each method of communication including the time period it was used, who used it, how it worked and if it is still used today. Add any other information which you think is relevant or interesting. 	<ul style="list-style-type: none"> - Sunday 21st June was the devotion of the Immaculate Heart of Mary. As patron of our school, create a prayer booklet dedicated to Mary. Research prayers which have been written to Mary, create your own and even add any relevant hymns too. 	<ul style="list-style-type: none"> - Read the Banksy presentation and then either draw a brick wall background (or use the background provided for you if you have a printer). Design your own Banksy-style graffiti to thank the NHS and key workers for their service during the lockdown period.
Science	PE	Computing
<ul style="list-style-type: none"> - Our topic for the next four weeks is Evolution and Inheritance. Read through the presentation and complete the activity sheets. - Do you think that being a good footballer is inherited from your parents or is it an acquired characteristic? 	<ul style="list-style-type: none"> - Join in with Joe Wicks and his daily workouts: https://www.youtube.com/channel/UCAxWIXTOiEJo0TYIRfn6rYQ - It is National School Sport Week this week. Have a go at the activities and fill in your Personal Scorecard. 	<ul style="list-style-type: none"> - With your parent's permission, create an account on juniorgamescreators.co.uk. There are free online workshops that you can sign up for to show you how to create your own computer games using scratch. - Complete the Searching the Internet using quotation marks worksheet.

ClassDojo:

I'm looking forward to welcoming some of the Year 6 children back to school this week. For those that are not returning, I will continue to post work each Monday morning and will still be available for help via ClassDojo (however my response time may be slower due to me being in class during the day). As much as possible, I will link the work we are doing in school to the work being set at home.

Thank you to those who have already sent in their contributions for the end of year celebration project. Please could I have any remaining videos, photos, memories and aspirations by Friday 25th June?

Many thanks,

Mrs Boon
