ClassDojo:

If you're not already connected to the Class Dojo app, please consider logging in. Over the coming weeks, I will be trying to put together something to celebrate Year 6's time at St Mary's before they make the transition to Secondary school and it would be a shame if all of the children were not represented equally. It is an easy way for us to keep in touch and to send files and messages back and forth. It would be lovely to see all parents connected to Class Dojo.
