

Waving Windmill

You will need:

Paint (a variety of colours)

A3 coloured paper
(a variety of colours)

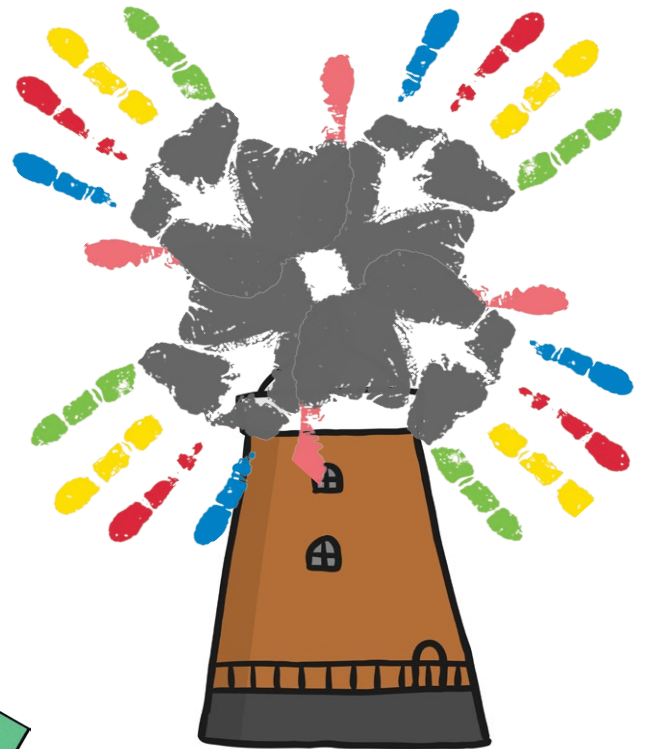

A3 light blue card

Paintbrush

Glue

Scissors

Newspaper

Activity

1. Spread newspaper over the work area.
2. Cut a triangle with a six-inch base and eight-inch sides out of coloured paper of any colour. Cut off the top point of the triangle about one inch from the top.
3. Glue the triangle near the bottom edge of a sheet of light blue card.
4. Paint inside of hand and fingers, excluding thumb.
5. Make four prints at the top of the windmill base for blades. Be sure that fingers are together and palms are touching.
