

WINTER PRESSURES/COVID 2020/21

VCFSE FUNDED ORGANISATIONS

Please see below a list of community organisations who are offering funded support to vulnerable people who may be struggling with day to day activities/be isolated/experiencing financial difficulties etc over the winter months. The organisations base has been included for information but please note, a lot of these groups are offering support across different areas of Tameside. The support from each organisation differs and a brief summary has been provided. If you or somebody you know, would benefit from some help, please contact the organisations direct to see if you are eligible and for any further information. Thank you.
